G&S Woodworking
21 Cuddy Boulevard
London, ON N5V 3Y3

Attention: Mr. Mark Root

Sierra Construction is pleased to take this opportunity to provide a letter of reference on behalf of G&S Woodworking.

G&S Woodworking have successfully completed several Sierra Construction projects, many meeting the most stringent construction schedules. Their staff's determination to provide the client "superior quality service" is shown from initial planning to installation of completed product, followed up with timely submission of final close out documents.

The following is a list of projects completed by G&S Woodworking;

- Oneida LTC Facility – Oneida of the Thames First Nation
- Sally Creek Community Centre Phase 1 – The Villages of Sally Creek
- Fairmont P.S. FDK Renovations – Thames Valley District School Board
- Renovations to Level 1 Grandstand – Western Fair Association
- Renovations to "Top of the Fair" Lounge – Western Fair Association
- 2nd Floor Grandstand Renovations – Western Fair Association
- McCormick Building Office Renovations – Western Fair association
- St. Aloysius School Renovation – Stratford, ON
- Cedarwood Gardens Seniors Residence – Simcoe, ON
- Huron Perth Children's Aid Offices – Stratford, ON
- Wajax Equipment Sales – London, ON

Sierra Construction values the strength of our subtrades and we are pleased in recommending G&S Woodworking to any prospective clients.
